

A large, traditional wooden windmill with four white sails, situated on a brick tower. The tower is part of a larger building with a red-tiled roof. The scene is set against a clear blue sky with some light clouds. In the foreground, there are tall, golden-brown grasses. The windmill is the central focus of the image.

“We settled into our lovely tower room before pre-dinner drinks on the lawn, looking out over the reeds and marshes to the sea. In the distance we heard a curlew and we knew this was something special”

CLEY WINDMILL NORFOLK

Welcome to Cley Windmill - guesthouse and self-catering accommodation.

The Windmill is in the village of Cley-next-the-Sea, Norfolk and is surrounded by reeds, marshes and the River Glaven flowing out towards the sea. We are also next to one of the best nature reserves for bird watching in the UK.

The Windmill itself can sleep 12 guests in 6 rooms and a further 8 guests can be accommodated in the separate Boat House, Long House and Dovecote. This flexibility makes the windmill an ideal place for wedding parties, house parties or large groups.

Join us for a unique experience at Cley Windmill. Book your wedding party, house party or stay for a few nights. From the moment you arrive, you and your guests will enjoy a warm welcome, stunning interiors and experience all that this iconic building and coastal landscape has to offer.
